

Join us in Supporting Berwick Black Box Community Theatre!

As a valued member of our community, I am reaching out to you on behalf of Berwick Black Box Community Theater with an exciting opportunity to sponsor our upcoming season of productions. Our season will run from June 2026 through May 2027. Our season will kick start with a summer junior musical intensive. Our fall production will be a full musical including a cast of full cast of community members. In the winter we will pair with a local venue to perform a production featuring an adult cast. Finally in the spring we will showcase our school age participants in a play.

We are looking for **Premium Production Sponsors** to offset the costs of each of our productions for the season as well as help with the basic operational costs of our non-profit. The average cost of staging a musical is \$8,000-\$15,000. The average cost of staging a play is \$3000-\$10,000. We are committed to bringing theatre to our local community in a way that is inclusive and educational for all ages. Without sponsorships we would be unable to continue to offer these opportunities here in our area.
